

Dear Clients,

We regret to inform you that our Journal Square office will be permanently closed on July 12th, 2024, and Dr. Julie Jones will be leaving Veterinaire Pet Care at that time. Our main location at 201 Marin Blvd in downtown Jersey City remains open and fully staffed for your pets' needs. All medical records will be consolidated to our downtown location starting on July 13th, 2024.

We understand that Journal Square was a convenient location for many clients, and you may prefer transferring to another clinic closer to home. If you would like a copy of your medical records to transfer to another clinic, please call 201-565-2301 or email veterinairejsq@gmail.com prior to the clinic closing on July 12th, 2024. Your medical records will also be available after July 12th by calling our downtown location at 201-839-6939, or emailing veterinairejc@gmail.com.

We recognize that this is not the news many of you were hoping for, and we apologize for the inconvenience that this may cause. We appreciate all of our clients who supported us since we opened the Journal Square location in 2017. It has been a blessing to work with the wonderful clients and community, and we hope to see you again at our downtown location!

Sincerely,

Veterinaire Pet Care
